

M & M Survival Kit for Students Materials

- 1. Paper (construction paper reinforces the color therapy)**
- 2. Hole Puncher**
- 3. String or Ribbon or a stapler to attach string or ribbon**
- 4. Enough M & Ms for your students (During open house give out to students and parent)**

Variation: Change the words for a survival kit for parents- to gain their support during the school year! Or to describe what to expect during the year, or when they should be concerned
